

Pay for school meals online

Dear Parents and Guardians,

We at Epicurean Group hope you will enjoy our Menus and food selections. We know that tasty and nutritious food can help boost concentration and morale, which is crucial for well-being! Our meals are packaged and labeled according to HACCP standards, in compostable packaging. We are working closely with our Campus Communities to determine your favorites!

At Epicurean Group, we pledge to provide fresh, honest, and local food. We don't cut corners or do it the "easy way". Bread is fresh baked, soups, dressings and sauces are home-made, and every effort is made to use as much organic produce as possible. With seasonal menus reflecting the most nutritious and delicious choices based on local growing patterns, we take great pains to do the best by our customers and the environment.

Easily pay for school meals online this year! Create your free MySchoolBucks account to conveniently and securely add money to your student's meal account online or with the mobile app. This allows us to focus on serving meals as fast and efficiently as possible. With MySchoolBucks you'll also be able to view cafeteria purchases, check your student's balance, and receive low balance alerts.

Please note: the per-load up fee on MySchoolBucks is now \$2.75.

Get Started Today:

1. Go to myschoolbucks.com or download the mobile app
2. Create your free account and add your students using their school name / student ID
3. Add funds using your credit / debit card or electronic check
Note: For each transaction, you will be charged a program fee.
